Little Lessons from Triple G Farms

A Storytime Learning Guide

MayBelle, Amos, and Gertrude Welcome Scout

Seeing the World in His Own Special Way

Today's Big Lesson

Everyone is wonderfully made. We all have different abilities, and we can use our strengths to help and encourage others.

Let's Talk About the Story

1. How did Scout feel when he first came to the farm?
2. What are some ways MayBelle, Amos, and Gertrude helped Scout?
3. What does Scout teach us about kindness, patience, and believing in ourselves?

Did You Know?

- Some animals have disabilities, just like people.
- They can still live happy, full lives with care, kindness, and support.
- Many rescued animals learn to do things in their own special way.
- Different does not mean less. It means unique and special!

God's Word for Little Farmers

"You are fearfully and wonderfully made."

Psalm 139:14 (NLT)

Our Little Lesson:
