Little Lessons from Triple G Farms

A Storytime Learning Guide

Classroom Edition

MayBelle, Amos, and Gertrude Meet Trout

The Brave Little Kitten

A True Rescue Story!

Today's Big Lesson

Trout's story shows us that compassion, patience, and care can make a big difference. When Trout was sick and scared, kind people helped him. With love, veterinary care, and time, he became a healthy, happy part of the Triple G Farms family.

Let's Talk About the Story

1. Why was Trout scared and not feeling well?
2. Who helped Trout get the care he needed?
3. How did MayBelle, Amos, and Gertrude show kindness to Trout?
4. What did you learn about taking care of animals? Why is that important?

Did You Know?

- Babies like kittens need food, clean water, a safe place, and veterinary care to stay healthy.
- Sick or injured animals may be scared and need gentle care.
- Kind people can make a big difference in an animal's life.
- Every animal deserves a chance to be safe, healthy, and loved.

Amazing Kitten Facts!

- Kittens are called "kittens" until they are about 1 year old.
- Kittens grow quickly and need nutritious food and fresh water.
- Kittens like to play, explore, and learn.
- Veterinary care helps kittens stay healthy and strong.

Fun Activities to Help Us Make a Difference

Classroom Edition

Activity 1: Draw a Happy Ending

Ages 3–5

Draw a picture of Trout in his new home at Triple G Farms. You can include MayBelle, Amos, Gertrude, or any of his farm friends!

Activity 2: Healthy Kitten Care Checklist

Ages 6–8

Look at the pictures below. Check the things a kitten needs to stay healthy and happy. You can check all of the ones that help Trout and other kittens.

☐ Nutritious food and fresh water

☐ A warm, safe, place to rest.

☐ Gentle brushing to keep clean

☐ Veterinary care when needed

☐ Safe toys for playtime

☐ A clean litter box

☐ A safe place to climb and explore

☐ Love, patience, and kindness

Kindness Challenge

This week, do one or more of these kind things:

- ☐ Be gentle with all animals.
- ☐ Help care for a pet at home or on the farm.
- ☐ Look for ways to help a sick, injured, or scared animal.
- ☐ Thank a veterinarian or animal helper for their important work.
- ☐ Share what you learned about caring for animals with a friend or family member.
- ☐ Show kindness to all animals.

Learn More About Kitten Care

- Kittens need good food, clean water, and a warm, safe place.
- They should see a veterinarian to stay healthy.
- Gentle hands and quiet voices help them feel safe.
- Patience and love help kittens grow and become confident.
- Kind people and veterinarians make it possible for animals like Trout to have a second chance.
