Little Lessons from Triple G Farms

The Grandkids' Winter Vacation

Classroom Edition

Today's Big Lesson

Winter is a wonderful time to enjoy family, discover new things, help with farm chores, and care for one another.
Even on the coldest days, kindness can make a big difference!

Let's Talk About the Story

1. What were some of the grandkids' favorite winter activities?
2. How did the family help care for the animals during the cold weather?
3. Why is it important to stay safe when playing in the snow or near a frozen pond?
4. What did the grandkids learn about helping one another?

Fun Learning Activities

Ages 3–5

Dress for Winter

Color the winter clothing and circle the things that help keep us warm.

Ages 6–8

Winter Safety: Safe or Unsafe?

Look at the pictures. Put a ✓ if it shows a safe choice. Put an X if it shows an unsafe choice.

☐ Skate at a supervised ice rink.

☐ Go out on thin ice.

☐ Build a snowman in a safe area.

☐ Play on snowbanks near the road.

☐ Sled on a safe hill away from roads.

☐ Always stay with a trusted adult.

Kindness Challenge

- ☐ Help with a winter chore (such as feeding animals, carrying wood, or clearing snow).
- ☐ Do something kind for a family member.
- ☐ Look for a way to help an animal in winter (such as giving fresh water or checking a shelter).
- ☐ Be a good friend and include someone in a winter activity.

Remember ...

Kindness, safety, and caring for others make winter brighter!
