MayBelle, Amos, and Gertrude Welcome Scout

Seeing the World in His Own Special Way

Today's Big Lesson

Everyone is unique!
We all have different abilities,
and we can use our strengths
to help and encourage others.

Let's Talk About the Story

1. How did Scout feel when he first came to the farm?
2. What are some ways MayBelle, Amos, and Gertrude helped Scout feel welcome?
3. What did you learn from Scout about kindness, patience, and including others?

Did You Know?

- Some animals have disabilities, just like people.
- They can still live happy, full lives with care, patience, and support.
- Animals often learn new ways to do things using their other senses.
- Different does not mean less. It means unique and special!

Caring for Animals

Animals depend on people for kindness, safety, and care. When we include and support animals with special needs, we help them live happy, healthy lives.

Our Little Lesson:

Be kind. Include others. Celebrate what makes each of us special!
