Pine Cone Bird Feeders

Let's Help Our Feathered Friends!

Kind People Care for All of God's Creatures!

Why Do Birds Need Our Help?

Birds need food to stay strong, especially in the winter when insects and seeds can be harder to find. A simple bird feeder can give them extra energy and help them through cold days.

What Do Birds Eat?

Many birds love seeds, nuts, and even a little peanut butter! Our pine cone bird feeder will be filled with healthy treats birds enjoy.

Birds Help Our World!

Birds do important jobs on the farm and in nature. They help control insects, spread seeds, and add beauty with their songs.

Fun Bird Facts!

- Birds have lightweight bones that help them fly.
- Many birds can see more colors than we can!
- Birds use their beaks to crack seeds, catch insects, and build nests.
- Different birds like different types of food.

You Can Make a Difference!

By making a pine cone bird feeder, you are helping birds find food, keeping them healthy, and making your yard a welcoming place for God's feathered creatures.

Let's Create!

On the next page, you will learn how to make your own pine cone bird feeder. It's a fun and easy craft that the whole family can enjoy!

Pine Cone Bird Feeders

Let's Make a Bird Feeder!

You Will Need:

- [ ] Pine cones (clean and dry)
- [ ] Unsalted peanut butter (or sunflower butter)
- [ ] Birdseed (mixed seeds)
- [ ] Twine (or string)
- [ ] A butter knife (for spreading)

1 Tie the Twine

Wrap a piece of twine around the top of the pine cone and tie a knot. Leave a loop for hanging.

2 Spread the Peanut Butter

Use a butter knife to spread peanut butter all over the outside of the pine cone. Make sure to get in between the scales.

3 Add the Birdseed

Roll the peanut butter covered pine cone in a bowl of birdseed. Press gently so the seeds. stick to the peanut butter.

4 Hang It Up

Hang your bird feeder on a tree branch, hook or post outside. Choose a spot where you can watch the birds!

Helpful Tips!

- Use natural, unsalted peanut butter or sunflower butter.
- Try different types of birdseed.
- Hang your feeder where you can see it.
- Keep it out of reach of pets.
- Ask an adult for help.
- Wash your hands when you are done.

Watch and Enjoy!

Soon you may see many kinds of birds visiting your feeder. Look for different colors, sizes, and shapes. Each bird is special and helps make our world more beautiful!
