Great Pyrenees

Meet MayBelle!

MayBelle is a Great Pyrenees! She is gentle, loyal, and brave. MayBelle loves her family, her farm friends, and helping to keep everyone safe at Triple G Farms. Great Pyrenees are known for their calm hearts and strong guardian instincts.

A Gentle Guardian and a Faithful Farm Friend

About the Breed

Great Pyrenees were originally bred in the mountains of France hundreds of years ago to guard sheep and other livestock. They worked with farmers to protect the animals from predators like wolves and keep the herd safe. Today, they are still known as gentle guardians and make wonderful family companions.

5 Fun Facts About Great Pyrenees

1. They are large, strong, and fluffy.
2. They are gentle, calm, and very loyal.
3. They have a thick, weather-resistant coat to keep them warm in cold weather.
4. They are natural guardians and like to watch over their family and farm friends.
5. They are smart and independent thinkers.

What Makes MayBelle Special?

MayBelle has a kind and patient heart. She is always nearby, watching over her family and farm friends. She is gentle with the little ones, loves to be outside, and has a calm presence that helps everyone feel safe. Her beautiful white coat, loving spirit, and gentle nature show what a special breed Great Pyrenees are.

How to Care for a Great Pyrenees

- **Food & Water:** A healthy diet and fresh water every day.
- **Exercise:** They enjoy daily exercise like walks, playtime, and exploring outside.
- **Grooming:** Their thick coat needs regular brushing to keep it clean and healthy, especially during shedding seasons.
- **Kindness:** Give them love, patience, and positive training.

Did You Know?

Great Pyrenees have a thick double coat that helps protect them from cold weather, wind, and even snow! They can be outside in many types of weather, but they also love a comfortable place to rest.
