Meet MayBelle!

The Gentle Guardian of Triple G Farms

Woof, woof! Hello, little friends!

My name is MayBelle, and I'm a big, fluffy, white Great Pyrenees dog. I live at Triple G Farms in beautiful Maine!

I wear a pretty purple collar with a special tag that has my name on it.

I may be big, but I have a very gentle heart. I love watching over my farm family and making sure everyone is safe.

My Favorite Things:

- Watching over my farm friends
- Exploring the farm
- Enjoying the fresh Maine air
- Giving lots of fluffy hugs!

A Little Lesson from MayBelle:

"Being kind and helping others is one of the best ways to show love."
